

Friends of the Parks Quarterly Newsletter

A message from the President.....

Ah, Memorial Day weekend has just passed and the unofficial start of Summer begins! As you can see from the newsletter, there are exciting adventures for children and adults to take advantage of this season through use of the many parks and recreational events. For most of us the Lancaster City Parks represent the biggest recreational value for the summer. I don't know which is your favorite, but the Run for Independence on Saturday, June 28th is one of my favorites in that it kicks off all the Independence Day celebrations that follow soon thereafter.

I would be remiss if I didn't take a moment to thank all the members the Friends of the Lancaster Parks and Recreation who have donated both their time and treasure to continue the proud tradition of stewardship so evident in our history.

Good wishes for a happy and fulfilling Summer. Enjoy!

Carrie Woody, President
