Lancaster-Fairfield Public Transit

GENERAL INFORMATION BROCHURE  
LARGE PRINT FORMAT

Funded in part by:

Enhancing lives every day by moving people and increasing mobility to live independently through safe, professional, and reliable public transportation.

- Carry-on packages: due to safety & limited times on our deviated-fixed routes (loops), the number of bags is restricted to what can be easily handled by the customer and carried aboard without delaying the vehicle. Customers are permitted to carry only the number of bags they are able to manage independently without the assistance of the driver. For Demand response transportation all carry-on packages must be comfortably handled by the customer within their designated area. Operators are only permitted to assist with packages when getting on/off LFPT vehicles. The driver will assist with (2) large paper bags or (4) small plastic bags per trip. Drivers are not permitted to cross the threshold and must keep their vehicle in sight at all times.

LFPT welcomes your comments. Please

- Refusal to ride the vehicle sent for a trip is considered a “no-show”. A rider must pay for his/her no-show fare before riding again.
- Trip cancellations must be made at least 60 minutes prior to scheduled trip time, otherwise the trip will be considered a “no-show”. A rider must pay for his/her no-show fare before riding again.
- Children must be properly secured in accordance with State Law in a child restraint system that meets State and federal motor vehicle safety standards (installed based on the manufacturer’s instructions). The parent/guardian will install the restraint seat and secure the child. Once the driver and the parent/guardian are satisfied with installation and securement, the vehicle may be placed in motion.
