

For Immediate Release

Lancaster-Fairfield Public Transit (LFPT) is excited to announce **a new flex route (Loop) pilot the first Saturday of each month!**

“Thanks to the innovative spirit of LFPT many more residents of Lancaster can have access to and participate in the numerous exciting happenings around the community”, said Mayor David Scheffler. Beginning January 5th, this pilot will operate the first Saturday of each month from 9:00am-4:00pm combining stops from each of the four loops currently operating Monday-Friday. “We’ve received so many requests over the past few years to add a Saturday loop service, and we are excited to start by offering the first Saturday each month” said Carrie Woody, Transit Director. Ms. Woody stated there will be a public hearing in June to take comment on the pilot. These comments and the ridership data will then be submitted to the Ohio Department of Transportation’s Office of Transit for final approval. “We are hopeful the community will support this pilot so we are able to make it a permanent service and eventually add additional Saturdays each month!” (Woody)

To utilize this pilot loop, just be at the posted bus-stop below (signs at most locations) at least 5 minutes prior to the scheduled stop time. Once you are on the route, let your driver know at which stop you will de-boarding the vehicle. Deviated pick-ups are available within a 3/4-mile radius of the listed stops by calling at least 24 hours in advance to request (limit one deviation per hour).
