

Census Boundary Map of the City of Lancaster and immediate surrounding area.

Comprehensive Census data can be found in the [Housing Market Study](#) . In addition to 1990 Census Data this document includes 1999 and 2004 projections. The study also interprets data as it relates to housing within the Lancaster market.

Note that tracts frequently also include areas which are outside the city. To do specific census based research you may wish to do directly to <http://www.census.gov/cgi-bin/gazetteer> . Enter Lancaster then proceed with your data search.
