L FPT provides origin-to-destination demand response shared ride (first come, first serve) transportation services. Reservations may be made in advance or the same day as the trip request. For a reduced fare, reserve your ride at least one day in advance. An *advanced reservation* also means you are picked up within a (15) minute window before or after the scheduled pick-up time. Once provided your scheduled pick-up window, the driver will wait 5 minutes at the curb, so please be ready. You may schedule trips up to two weeks in advance. A same day reservation, if space permits, may extend the pick-up wait time to 30-60 minutes from your negotiated time, and there is no guaranteed arrival time. **Reservations are accepted Monday-Friday, 8 am-4 pm by phone or online.** L FPT also provides five deviated-fixed routes (loops) with fares starting at \$0.25 and require no reservations. To ride the loops, just be at the bus stop prior to the scheduled stop time. Transfers between routes are \$0.10.

For current Loop schedules call 740-681-5086 or visit www.ci.lancaster.oh.us/242/transit.
