

ACCOUNT INQUIRIES

For balance and payment inquiries, please call 740-415-3099.

You will need your (8) digit account number, including all leading zeros, to use this system. Your account number can be found in the upper left portion of your utility bill. For verification purposes, you will need to enter the numeric portion of the billing street address for your account, excluding any fractions, letters or punctuation.

You will be able to obtain:

- Amount of your last bill and due date
- Balance as of today
- Most recent payment amount and date posted
