Hello, Friends!

It's hard for us to measure the positive impact of Lancaster Parks & Recreation. What would our community be like without our 28 safe and friendly neighborhood parks? We are so lucky to live in a city with miles of hiking and bike trails, playgrounds, ball fields, basketball and tennis courts, shelter houses, picnic areas, and community spaces! All you have to do is take a walk or a drive through one of our beautiful parks to see how they vastly improve the quality of life for people of all ages throughout Lancaster.

As the current President and a long-time member of the Friends of Lancaster Parks & Recreation, I am so proud of all of the important projects we have accomplished. With their limited budget, the Parks Department must focus on staffing, equipment, and maintenance. Our job as Friends of the Parks is to sponsor all of the things above and beyond the basics. These are the things that make our parks so special and unique: from the fish happily swimming in Lake Loretta at Alley Park to the gorgeous gazebo overlooking the pond at Rising Park and from funding summer camp opportunities for underprivileged kids to play and grow to developing a much-needed all-abilities playground at Hunter Park, we love our parks system and it shows through our support.

The Friends of the Lancaster Parks & Recreation also know how to have fun volunteering in our green spaces and at special events. Interested in doing some spring cleanup around our beautiful parks? Want to get a look behind-the-scenes at the Pumpkin Hike or Santa in the Park? Become our Friend and volunteer with us to help our parks stay beautiful!

I hope you'll join me and many others and become a Friend of Lancaster Parks & Recreation. We need the support of people like you to keep our parks and our community a healthy and happy place to be! I look forward to working with you to make a difference in our community and thank you for your support, now and always!

Warmly,

Keely E. Pearce
President, Friends of Lancaster Parks & Recreation

Support. Promote. Encourage.
Become a Member of Friends of Lancaster Parks & Recreation.

I would like to be a Friend of the Lancaster Parks & Recreation.
