LEGAL NOTICE

The City of Lancaster, Ohio ("the City") is soliciting request for qualifications ("RFQs") from qualified firms interested in the identification and installation of energy conservation measures on a guaranteed performance-contracting basis pursuant to R.C. 717.02. The intent is to select a partner that will provide design, implementation, project management, financing, performance monitoring and verification, and ongoing first party performance guarantee of energy efficient improvements.

The City intends to evaluate and, if deemed appropriate, award a negotiated contract to one firm to provide an energy conservation report pursuant to R.C. 717.02 (B). The City will then use that report to define the scope of services to be provided. General instructions for submittal of qualifications and the selection process are detailed in the Request for Qualification.

Any firm who is interested in responding to the RFQ, or otherwise receiving additional information, must register with the City by emailing Brian S. Kuhn, Service-Safety Director, **no later than 4:30 p.m. on August 29, 2014.**

All RFQ responses must be delivered to the City **on or before 4:30 p.m. on October 3, 2014.** To obtain the full request for qualifications, interested companies should visit the City of Lancaster, OH website at www.ci.lancaster.oh.us or by email at servicedirector@ci.lancaster.oh.us. Interested individuals or firms may contact the Office of the Service Safety Director, at (740) 687-6608 or by postal mail at 104 E. Main St., Rm 102, Lancaster, OH 43130
